To Whom it May Concern

As we now look back on our 18th Annual General Meeting and Delegate's Meeting in the city of Brno, preceded by our pre-tour and T-GuIDE course in Prague, we would like to thank you for this most successful of encounters.

Your sponsorship allowed our members in the Czech Republic to host a truly wonderful meeting which has not only set a new high standard for the organisation of our annual meetings, but created a most memorable and lasting impression of your beautiful country.

The Tourist Guides of Brno and Prague showed off with great pride the monuments and cultural heritage of their cities and their surroundings. They were truly the Ambassadors of Excellence for their area and for the Czech Republic, showing impressive knowledge and skill.

We once again sincerely thank you for giving such invaluable support to this event, which surpassed all our expectations.

We are sure that all who were present will be speaking of it for a very long time to come.

Yours sincerely
